The purple crystal is hit, horntrail is summoned. This way, you get more HP. Corsair: Washing corsairs is highly debated, as the benefit of having low HP allows Battleship to take more hits (specifically from 1/1s) in both Zakum and Horntrail. The primary reason most heroes wash is to tank Bigfoot, which deals around ~11k damage (~9k damage after max level Achilles). You die. Even without washing, however, heroes can still technically survive in Horntrail. Take note 1 MP is 10 INT 12 MP is 1 AP You can only decrease your MP up to a certain point. Hahaha. These flexible and exciting laptop computers provide users with a minimum of 4GB memory along with a one terabyte HDD hard drive. Many A people play DRKs because they are considered the cheapest class to wash. Many NLS wash only to 7.4k, but this is a discussion for another thread.
