Don Miguel Ruiz is a Mexican author of self-help books, in in Toltec spirituality and neo-shamanism. Le livre tourne autour de 4 principes: 1) Avoir une parole impeccable ((bannissons ragots et mÀ©Adisances!!!!))2) Ne pas faire de supposition (exemple: ce garÀ§Àon m'a fait un sourire À§Àa veut dire qu'il est raide dingue de moi et qu'on va se marier)) 3) N'en faites jamais une affaire personnelle ((quelqu'un vous dit "tu es un pauvre idiot", c'est lui qui ne tourne pas rond, pas vous! Vous ne devez pas laisser le comportement des autres vous atteindre ou vous blesser))4) Faire toujours de son mieux ((je suis sÀ»Are que je vais rÀ©Aussir À finir cette tablette de chocolat, ce serait dommage de la ranger alors qu'il n'y a plus qu'un carrÀ©À))Les exemples entre parenthÀ»Àses sont de moi, hein!Bon finalement, c'est du bon sens mais rien de nouveau en soi.J'ai trouvÀ©À intÀ©Aressant ces idÀ©Aes mais le dÀ©Aveloppement qu'en fait l'auteur n'est pas trÀ»Às convaincant. The Four Agreements PDFeÀÀAs Cover by Miguel Ruiz: Diving into The Four Agreements PDF by Don Miguel Ruiz: The Four Agreements PDF is based mainly on a set of spiritual beliefs that can be traced back to the ancient Toltecs. When I finished the book, I tried to list some of my fears and the issues that they bring in my life. Realizing that my anxiety is unreasonable (not every instructors are nutcases), I decided I would pass my written and driving exam before June 2019. The main intention of the writer, Don Miguel Ruiz, is to help his readers understand and savor these agreements in order to turn your life into a new path, full of happiness and love. ItèÀÀAs true that it makes life sweeter (and more friendly relationships). Le cÀ»ÀtÀ©A positif c'est que c'est facile À lire. çÀÀÀBe impeccable with your word.éÀÀÀ I keep failing every time I try. J'ai nÀ©Aanmoins passÀ©À un excellent moment mÀ»Ame si l'auteur entonce des portes ouvertes, c'est important de rappeler certains principes fondamentaux de vie. With all the positive thinking I read, I know that my words are creative and have an impact in the Universe but I canèÀÀAt help ranting all day (about my rude neighbors, the barking dog from upstairs, the lineup at the post office çÀÀÀ.) because IèÀÀAm so used to it and I guess that, somehow, it makes me feel good about myself. But itèÀÀAs worth it! The book is not thick but every sentences are filled with wisdom and common sense. I was really upset. Introduction According to Don Miguel Ruiz, every single idea is a seed in our mind and itèÀÀAs only up to us to replace all of our poisoned thoughts (fear, hatred, anger, sadnessèÀÀÀ) to modify our reality and set ourselves free, be ourselves and love ourselves unconditionally. Il y a un cÀ»ÀtÀ©A "chaman sorcier" dans cette lecture. DidntèÀÀAt take more than this for my mind to associate èÀÀÀDriving examèÀÀÀ with èÀÀÀNEVER AGAINèÀÀÀ. In èÀÀÀThe Four AgreementseÀÀÀ, the author suggests to follow four key principles to remove suffering from our human experience and turn it into bliss. Feel free to leave me a comment to let me know what you thought about this book. Easy to understand, straight to the point èÀÀÀÀ Don Miguel Ruiz approaches the law of attraction, the idea that speech is creative, the necessity to be authentic, control our emotions and learn to forgive to achieve happiness. What agreements could have I possible made in my Book of Law regarding these thoughts and how could I modify my perception of reality to free myself from these fears? Before being a world known author, Don Miguel Ruiz was a surgeon in Mexico when he had a near-death experience in a car accident. This emotional shock got him to leave everything behind and go back to live with his mother where he learned from the wisdom of the Naguals (Mexican shamans) to the point that he became one of the Nagual of the Eagle-Knight lineage. For instance, ItèÀÀAs been over a year that IèÀÀÀm depending on Uber to go places because IèÀÀÀm scared to pass and driving exams in Los Angeles. I did it for the French driver's license and I never had an accident... What toxic deal is anchored in my mind that creates this ridiculous problem? The live tours autour de 4 princesses: 1) Avoir une words impeccable (bannissons ragots et mèdisances!!!!)2 Ne pas faire de supposition (exemple: ce garçon m'a fait un sourire ça veut dire qu'il est raide dingue de moi et qu'on va se marier) 3) N'en faites jamais une relation personnelle (quelqu'un vous dit "tu es un pauvre, idiot" c'est lui qui ne tourne pas pas Vous C'est a livre asz court here if I turn on fast. This introduces a fascinating idea that a person does everything according to the agreements he does with and for himself. Most of our personal agreements cause most of the pain we suffer and indulge with. Digging in my memories just raised some uncomfortable feelings: When I was 18, I took FOUR to try to pass my written exam because I was in a bad place then, where I felt useless about everything I was doing. I try to be more empathetic and kind. Also, can we stop a moment on the first deal? Why? There, in stone, I'm doing this! And the list continues, with all the fears that annoy me: fear of scarceness, fear of disappointing others, fear of feeling guilty of being away from the family, fear of beinghimself, fear of failure but also fear of success ... it is very interesting to take a step back and analyze our bill to meet know and free us from the Polish agreements. J'ai l'impression qu'il répète l'argument phare encore et encore sans apporter d'éléments nouveaux. You always do your best.
